Use the **bunting, stickers** and **templates** to decorate, and create a jump-squiffing display of all things **Roald Dahl!** Craft your own **Matilda reading corner** or **BFG Dream Cave**, then capture imaginations with **activity sheets** and **party games**, or even host a **Roald Dahl quiz night** to find the biggest Roald Dahl fan! GLORIUMPTIOUS GAMES

Here are some **PHIZZ-WHIZZING** games for your **party**. These games are perfect for groups of 10–15 Oompa-Loompas or human beans. If you think you might have more than that at your party, separate them into groups and make sure there's enough space so that everyone can play safely.

MRS TWIT'S WORMY SPAGHETTI

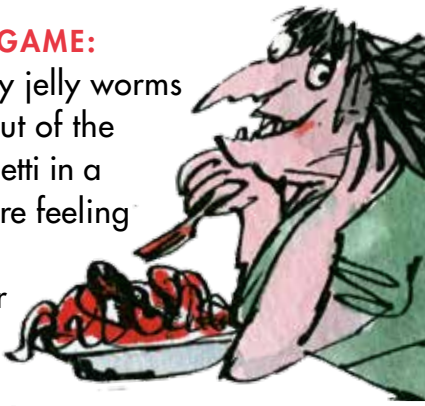

See if you can pick the worms out of the spaghetti!

ALL YOU'LL NEED IS:

A plate of cooked spaghetti, jelly worms, a blindfold and something to time yourself with!

AIM OF THE GAME:

See how many jelly worms you can get out of the plate of spaghetti in a minute! If you're feeling really daring, don't use your hands. Yum!

BOGGIS, BUNCE AND BEAN

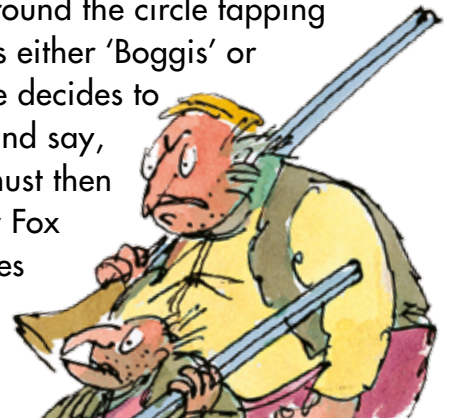

Here's a game to see whether or not you could outwit the nasty farmers in *Fantastic Mr Fox*!

ALL YOU'LL NEED IS:

Some space, everyone to sit in a circle and someone to be Mr Fox!

AIM OF THE GAME:

Mr Fox walks round the circle tapping each person as either 'Boggis' or 'Bunce' until he decides to tap someone and say, 'Bean.' Bean must then try to catch Mr Fox before he makes it back to Bean's seat!

STUCK IN THE MUD

How would you fare if you lived in 'the muddiest swamp' in Africa with the Enormous Crocodile?

ALL YOU'LL NEED IS:

Space, someone to be the Enormous Crocodile, and a group to be the villagers he wants to gobble up!

AIM OF THE GAME:

When the Enormous Crocodile touches your hand you must freeze! The other players must free the 'stuck' villager by crawling beneath their legs like a crocodile. The game ends when everyone is stuck in the mud.

PIN THE NEWT ON MISS TRUNCHBULL!

Can you pin this newt on to Miss Trunchbull on your Roald Dahl poster?

WHAT'S IN MR TWIT'S BEARD?

Use the template below to create a collage of things you think you would find in Mr Twit's beard. You can use anything you like to make items such as worms and bits of food. You can then cut out the disgusting beard and wear it on your own face.

THE BFG DRAW-ALONG WITH QUENTIN BLAKE

Ever wondered how to draw like Quentin Blake? Now you can.
Just follow these simple instructions from the illustrator himself.

1

How to draw
A Portrait of the BFG

You start off with an oval
(leave plenty of space all round it)

Now you need a bent line for the nose
a curved line for the mouth
and two dots for eyes

2

Next, some curved lines
and straight lines for
the neck and shoulders

3

Now we add some lines as
wrinkles, because the BFG is
terribly old

4

Then some more little lines
for hair and eyebrows

5

And last of all (this is the
best bit) the EARS
If they are flat (like ours) you
need two more ovals

6

BUT the BFG's ears are
wonderfully moveable, and can
be sticking out, like two
circles —

7

and sometimes they do
unexpected things — so this
is where you can use your
imagination...
